Truck and Bus Drivers Please Note Use Caution when using a GPS unit.

Once you reach the entrance to the university, follow the map above to the venue. Following your GPS directions to its end point will put you in a small circle in front of Old Main, not a good place for a big truck.

If you approach the building from the front (Adams Drive) trucks should go to the left to get to the loading docks at the rear of the building, busses should go to the right to get to the performers entrance and shore power connections at the rear corner of the building.

Any questions or problems, call SU Campus Police at 717.477.1444.
